

NEW Transitional Care Units Open in Chisago County: Parmly LifePointes & The Villages of North Branch

Both Transitional Care Units:

- Opened in 2007
- Are part of the Ecumen family of senior services
- Are part of a larger senior campus
- Feature private rooms with private baths
- Offer inpatient and outpatient therapy (physical, occupational and speech) in on-site state-of-the-art wellness centers
- Specialize in post-surgery care, therapy for post acute or chronic illnesses and offer numerous treatment approaches and programming to address each patient's specific therapeutic needs

TCU Admissions: Parmly (651) 257-0575, ext. 294 ~ The Villages (651) 237-3035

Parmly LifePointes ~ *“your partner in living well . . . aging well”*

Located on the shores of Green Lake in Chisago City, Parmly LifePointes includes transitional care, town houses, senior apartments, assisted living, memory care, long-term nursing care, transportation services, adult day care, home care and the new *Vitalize! Wellness Centre* which includes a warm water lap pool and therapy pool with an underwater treadmill. **For more information about Parmly LifePointes please call Miriam at (651) 257-7951 or visit us at www.parmly.org**

The Villages of North Branch ~ *“the next generation of senior living”*

Located behind *Tanger Outlet Center* in North Branch, The Villages is a senior living and health care community that feels a lot like the small town in which it is located. The Villages includes assisted living, memory care, long-term nursing care, short-term rehabilitation, an on-site medical clinic and a bustling town center. **For more information about The Villages of North Branch please call Julie at (651) 237-3034 or visit us at www.villagesofnorthbranch.org**
